

VARSIL SUVAGIYA

WEB DEVELOPER

Summary

Highly skilled Web Developer with 1.5 years of robust experience in crafting high-performance, scalable web applications using React and Next.js. Demonstrated expertise in modern JavaScript frameworks, front-end development best practices, and API integrations. Proven track record of delivering seamless user experiences and collaborating effectively within agile teams. Committed to continuous learning and staying abreast of emerging technologies to drive innovative solutions and achieve project excellence.

Employment

Trueline Solution Intern

Surat, Gujarat
Nov. 2022 to Apr. 2023, Nov. 2022 to Apr. 2023

During my internship at Trueline Solutions, I contributed to the development of dynamic and responsive web applications using React and Next.js. I collaborated closely with senior developers to implement front-end features and enhance user experiences, while also assisting in integrating RESTful APIs and optimizing application performance. My responsibilities included participating in code reviews, debugging, and testing to ensure high-quality software delivery. Throughout this experience, I gained hands-on expertise with version control systems like Git and agile development methodologies. This role helped me develop strong problem-solving skills and the ability to work effectively in a team-oriented environment.

Lathiya Solutions Web Developer

Surat, Gujarat
May 2023 to Current

At Lathiya Solutions, I worked as a developer, leveraging my expertise in PHP, React, and Next.js technologies. My role involved developing and maintaining web applications, ensuring they were both high-performing and user-friendly. I collaborated with cross-functional teams to deliver seamless and scalable solutions, integrating diverse technologies to meet project requirements. This experience honed my skills in full-stack development and enhanced my ability to deliver robust and efficient software solutions.
